Dearest Love,

It is very sad, to know that you are leaving the great Moore High to all that you know, but it is ^{even} ~~so~~ more sad to me because I Love you so.

Reading this will not express my love ^{for} you because love is something no one can explain.

I wish you all the happiness and success in the future, and may God be with you. Keep these three precious words in mind as a token of my true love for you I Love You.

Remain Sweet, Loveable, and adorable as you have been since I've known you, for it was a long time before I found true love and I think and hope that I found it with you.

There isn't much I can say because I cannot express love in writing.

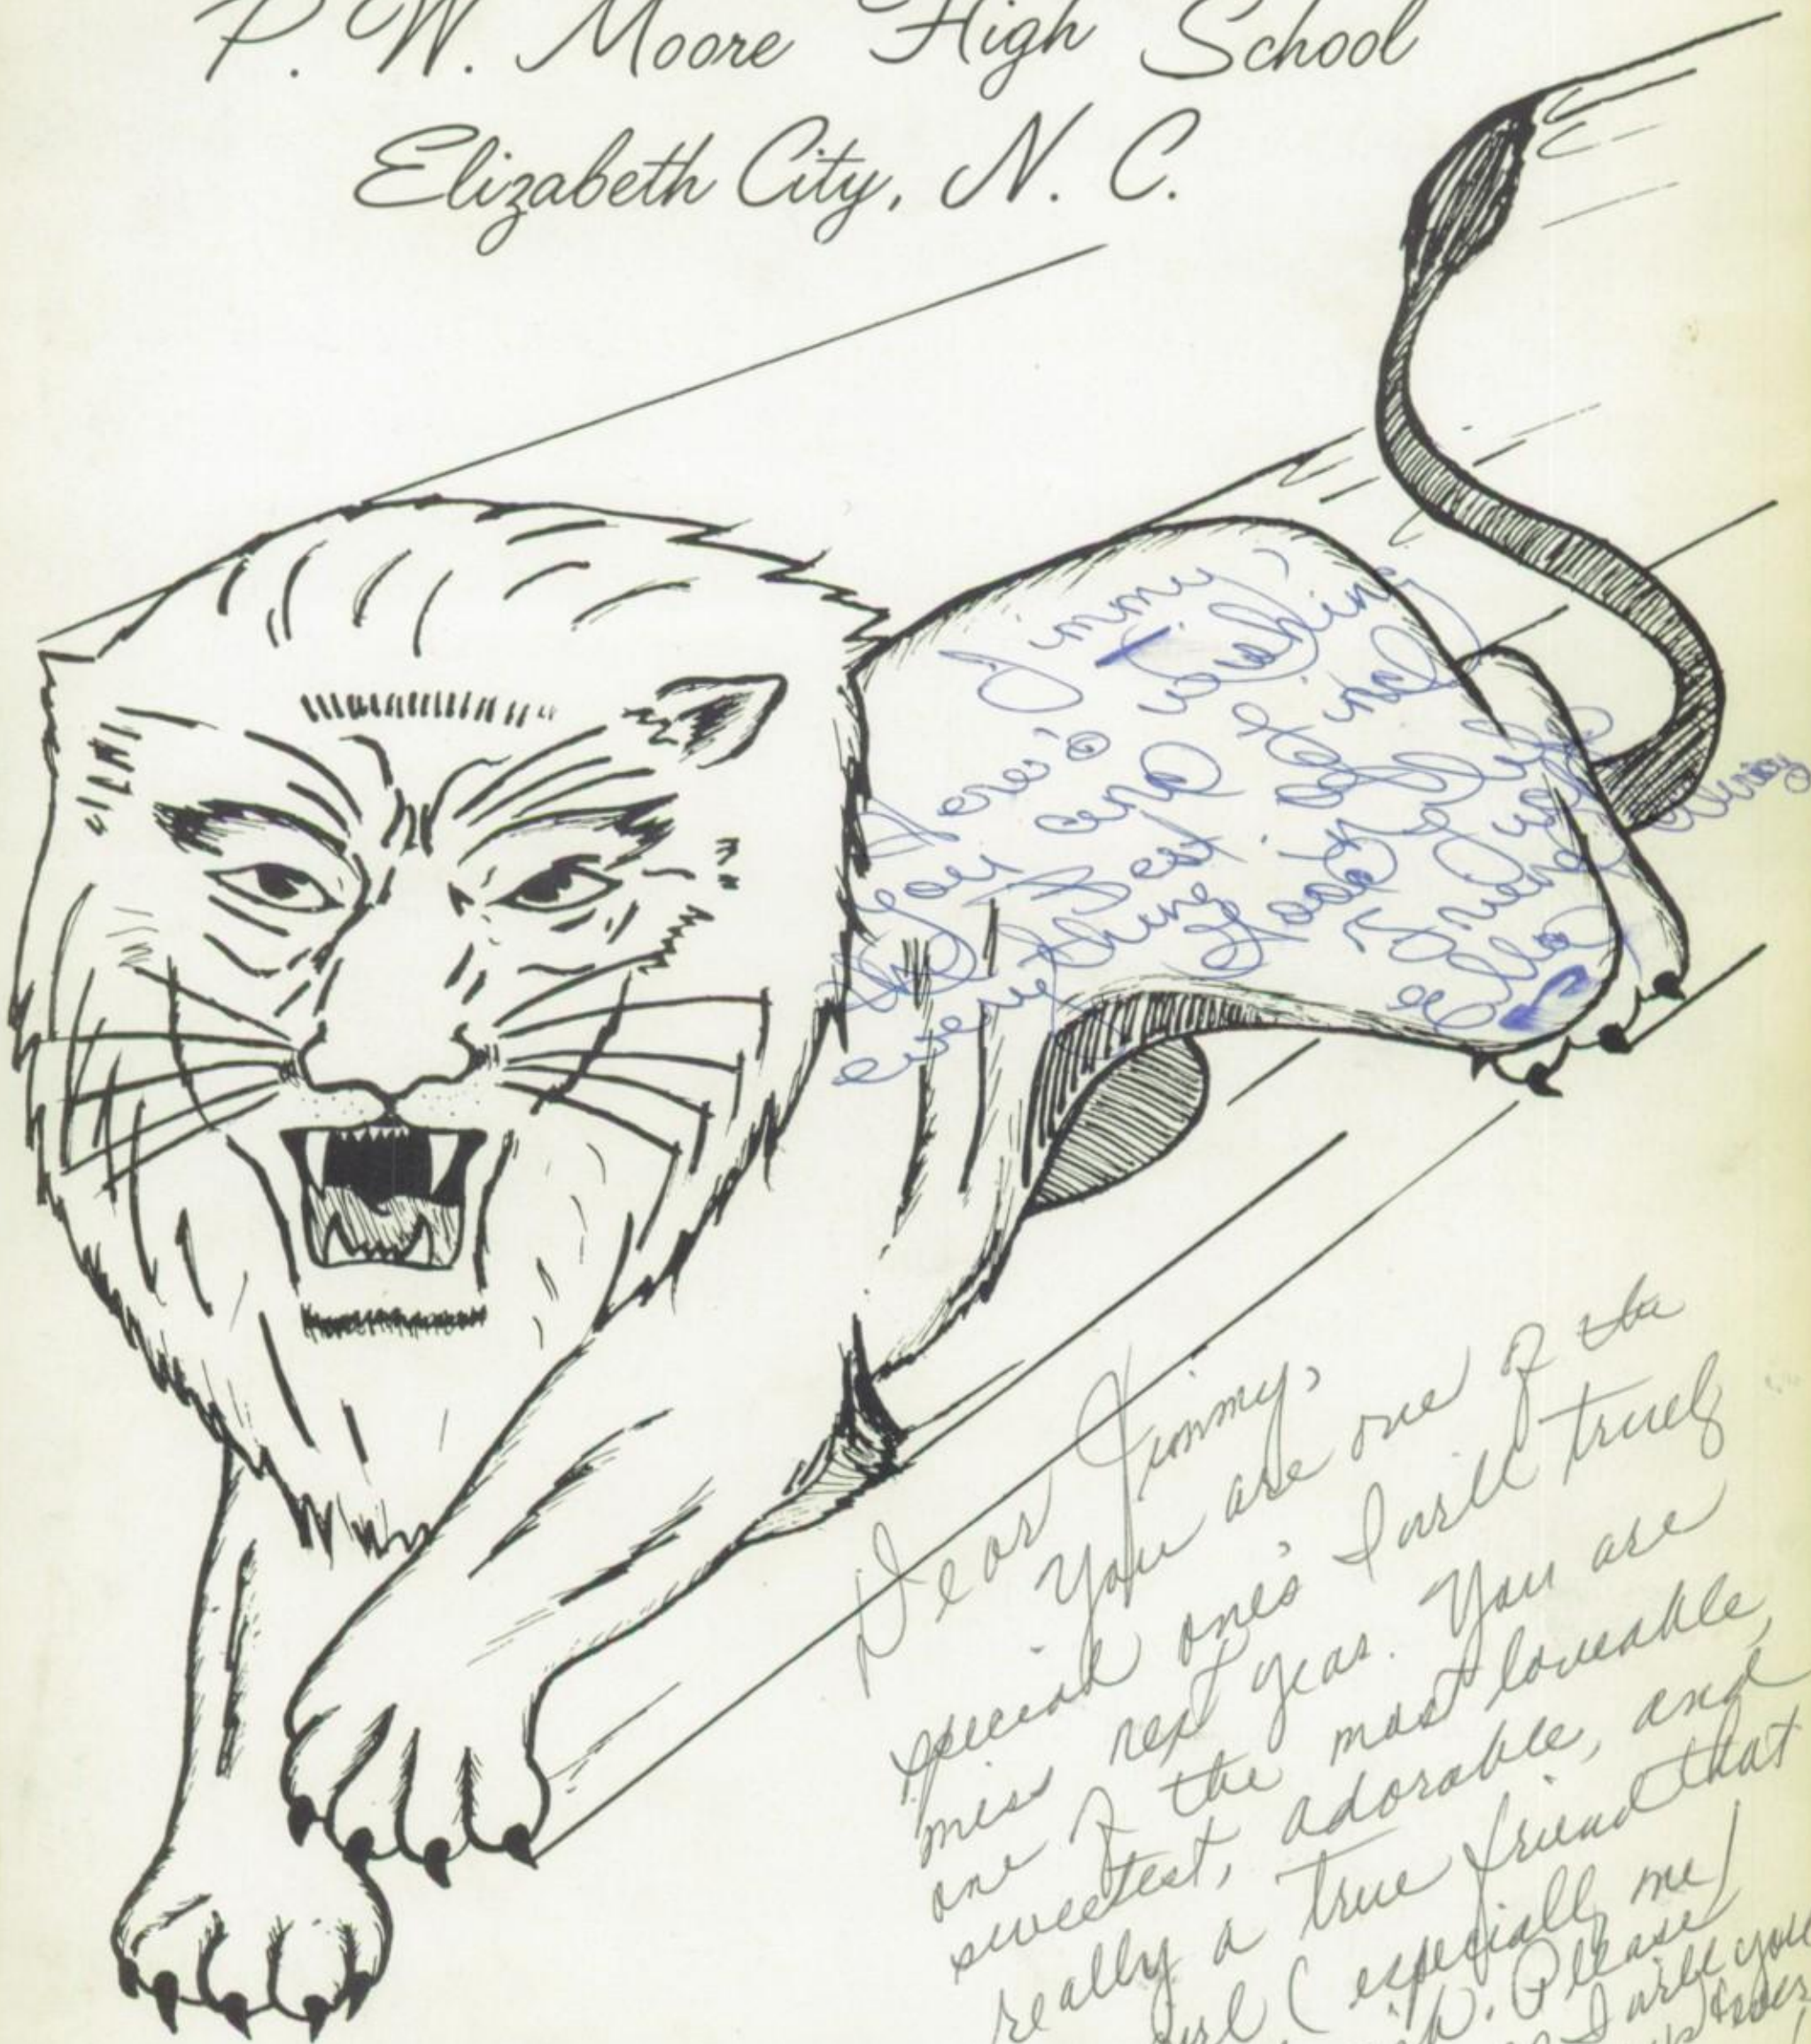

Good Luck

Forever yours

Forward

Adjustment in a democratic society is predicated on the physical, emotional, social, intellectual and cultural fitness of the individual. The 1964 "Lion" presents a pictorial review of life at P. W. Moore Junior-Senior High School as preparation for democratic living is given our students.

Hi Dad,
May you have
all the success
in the world in your
future endeavors.
Your son

Dedication

"When sportsmanship is lost, all is lost." Victory should be the goal of all competition whether on the gridiron, behind the footlight or in the classroom, but victory alone is not enough. Victory with honor, or defeat with dignity is the result of placing sportsmanship above winning. This philosophy you leave as a heritage to our Alma Mater; therefore, it is with pride and admiration that we dedicate the 1964 "Lion" to you, Our Football Team, "Coeur-de-Lion."

The Epitaph

*Here rests his head upon the lap of earth
A youth to fortune and to fame unknown.
Fair science frowned not on his humble birth,
And melancholy marked him for her own.*

*Large was his bounty, and his soul sincere,
Heaven did a recompense as largely send;
He gave to misery all he had, a tear;
He gained from Heaven ('twas all he wished) a friend*

*No farther seek his merits to disclose,
Or draw his frailties from their dread abode,
(There they alike in trembling hope repose)
The bosom of his Father and his God.*

In Memoriam

In memory of a gentleman with a congenial personality, an average student, an amiable schoolmate and a great athlete, we take pride in writing this eulogy.

Eugene Sivils, Jr. (September 11, 1945-November 11, 1963), a student at P. W. Moore High School and a life-time resident of Elizabeth City, North Carolina, was accidentally killed after a hunting trip. This ended the short but eventful and rewarding life of one of the finest athletes ever to play on the gridiron of this school.

To describe such a person would take thousands of words, but to know him would take only a few minutes, for he possessed an extremely extroverted personality. To play on the same field with him was an experience in itself, for he was a dedicated athlete. In class, he was an average student working to his full capacity.

Toward his fellow schoolmates he was kind and friendly, and he mingled with everyone. He was indeed a likeable companion.

We use one page to eulogize him; however, within this page are the hearts of many who mourn the loss of "Gene", as he was affectionately called.

PRINCIPAL'S MESSAGE

To the members of the Class of 1964:

The time has come when you must say goodbye to your school, your teachers and your friends.

I do hope that you have not spent twelve years in your preparation for life or higher education and have not learned how to get along with people.

I realize that during your last year here, one of the greatest tragedies occurred on November 22, 1963. Our beloved President John F. Kennedy was killed. This great man had faith in the American People and truly he had faith in you. Because of his faith in you and the American People, I am asking that whenever you enter the game of life, go into it with clean hands, a clean heart and an open mind and I will assure you that whatever you attempt to do, regardless of how humble it might be, you will be successful.

We trust that as you go out in life that you will never forget your parents and what they have tried to do for you.

SENIORS AT THE CAPITOL

Class History

In September of 1960, 177 new faces entered the doors of P. W. Moore as high school freshmen. It was a new and different experience for us because we had always looked forward to this day of being high school freshmen.

The majority of the students came from the Pasquotank County Elementary School and the Junior High Department of P. W. Moore, but a few came from the local parochial school.

Our officers for that year were: President, Lillian Butts; Vice President, McKinley Boston; Secretary, Jennifer Sutton; Assistant Secretary, Curtis Barco; Treasurer, James Sykes; and Reporter, Marlene Williams.

We were a group that enjoyed extra-curricular activities. From the class, 35 girls became members of the NHA and 25 boys joined the NFA. We took a great interest in music for the band was favored with 13 freshmen. There were 3 elected to the Student Council and 5 joined the Social Science Club. There was only 1 to join the basketball team. The girls must have been more interested in basketball because we had 3 girls to become "Lionettes." There were 5 boys who wanted the football team to become stronger. Only 2 joined the Drama Society.

Our freshmen sponsors were: Mrs. M. M. McClease, Mrs. E. P. Jones, Mr. J. J. Mitchell, Mrs. G. Cooper, Mrs. W. M. McLean, and Mr. C. L. Foster.

We were a hard working group, and therefore, we looked forward to a prosperous sophomore year. The sophomore year brought many wonderful things to us. We had gotten out of that stage of looking and acting like freshmen and we were ready for work.

We elected our officers from the start: President, Phyllis Walton; Vice President, Melody Williams; Secretary and Treasurer, Jennifer Sutton; and Reporters, Emma Lamb and Beverly Mallory.

Our second year was filled with various activities. Our interest in these activities had increased greatly. Four were elected to the Student Council and 2 to the Traffic Squad. Still making the the football team stronger, 10 boys joined, but only 1 made the basketball team. The "Lionettes" were favored with 3 girls; the Junior Varsity was favored with 6 members, one of whom became a Letterman. From our class 15 girls joined the NHA and 10 boys joined the NFA. Other clubs were favored with members from our class.

Sponsors for that year were: Mr. T. V. Beasley, Mr. C. L. Foster, Mrs. M. M. Moore, and Mr. W. A. Hunter.

In September of 1962, 129 of us began our junior year. Officers for that year were: President, Calvin Webster; Vice President, McKinley Boston; Secretary, Mary Liverman; Treasurer, Shirley Felton; and Reporter, Marlene Williams.

Our interest in extra-curricular activities was steadily increasing. We had a large number who wanted to display their talents, so 17 became members of the Dramatics Club. Instead of 1 on the basketball team there were 8, and 18 girls and boys became members of the NHA. Our musical talents had increased tremendously for 30 members joined the glee club and the band. We are happy to say that we had 4 to become members of the National Honor Society, and the majority of the Math Club were juniors.

Class History

Jackqueline Hoggard and McKinley Boston were chosen as the most outstanding Girl and Boy player of the year in basketball.

On May 24, 1963 we sponsored a very successful Junior-Senior Prom. Our theme was "A Night In Outer Space."

Junior sponsors for the year were: Mrs. R. P. Cooper, Mrs. G. O. Barcliff, Mrs. E. L. Harris, and Miss G. M. Joyner.

And then came September, 1963. This year we entered the portals of Moore High being much more advanced than we had been as "green" freshmen, "wise" sophomores, or "ranking" juniors. Thus, did we organize as the Senior Class of "1964" and elect the following officers: William Skinner, President; Phyllis Walton, Vice President; Rosa Riddick, Secretary; Francine Johnson, Assistant Secretary; Shirley Felton, Treasurer.

Having distinguished themselves by leadership and outstanding achievement we had a large number to participate in extra-curricular activities. The stage will long remember Riddick, Walton, Brickhouse, Hill, Boyd, Etheridge, Blount, White, Williams, Hoffler, Hinton, and others as actors and actresses. Of course we also had a great number with musical talent and a song in their hearts. Williams, Sykes, Skinner, Owens, Jones, Nicholson, Shannon, White, Hoggard, Sutton and Parker, may your musical talents live on in Moore High! The names Boston, Sivils, Perry, Moran, Johnson, Rouson, Etheridge and Webster will always be remembered among our gridiron greats.

On October 17, 1963, Miss Phyllis Walton reigned as Miss P. W. Moore. Miss Emma Lamb, Miss Shirley Felton, and Miss Marie White were her attendants.

On November 22, 1963, we had ten lovely and graceful girls to represent us at the Alpha Kappa Alpha Debutante Ball. Miss Brenda Shannon became the first Queen of the Alpha Kappa Alpha Debutante Ball. Miss Marlene Williams was runner-up.

In December, five of our top Seniors boys were chosen to participate in the Senior Shrine All-Star game played in Durham on December 7. They were: McKinley Boston, Jerone Moran, Thaxton Etheridge, George Johnson, and Calvin Webster. McKinley Boston was runner up for the most valuable player award.

We are very grateful to have had the outstanding leadership of Mrs. H. J. Saunders, Mrs. D. P. Jenkins, and Mr. J. E. Barnes as our advisors.

As a graduating class of only 95 of the 177 freshmen who were welcomed here four years ago, we are now ready to go out into another world, better prepared to face and to solve problems because of the training we have received at our Alma Mater.

CLASS POEM

Now that we have reached one goal,
One climax, and one aim,
We realize there are many more,
And begin to climb again.
Up the ladder of success,
With education as the steps;
Not at the top, but climbing on—
Our efforts never shall go wan.
As we look back on our years at Moore,
How through the past we've grown
In knowledge and maturity;
We've reaped the seeds we've sown.
We'll not forget the things we've learned,
Our laughter, tears, and sighs;
Engraved in our hearts forevermore
Is the memory of Moore High.

CLASS MOTTO

What we gave, we have;
What we spent, we had;
What we left, we lost.

CLASS SONG

Dear ole Moore Hi we're going to leave you,
But we really hate to go
May we find that in our futures
All the things we want.

May our futures bring us happiness
As we depart with all this sadness,
Dear ole Moore we hate to leave you,
But you know we must go.

And to all the student body
And the seniors that take our place
Please always remember
The senior class of nineteen sixty four.

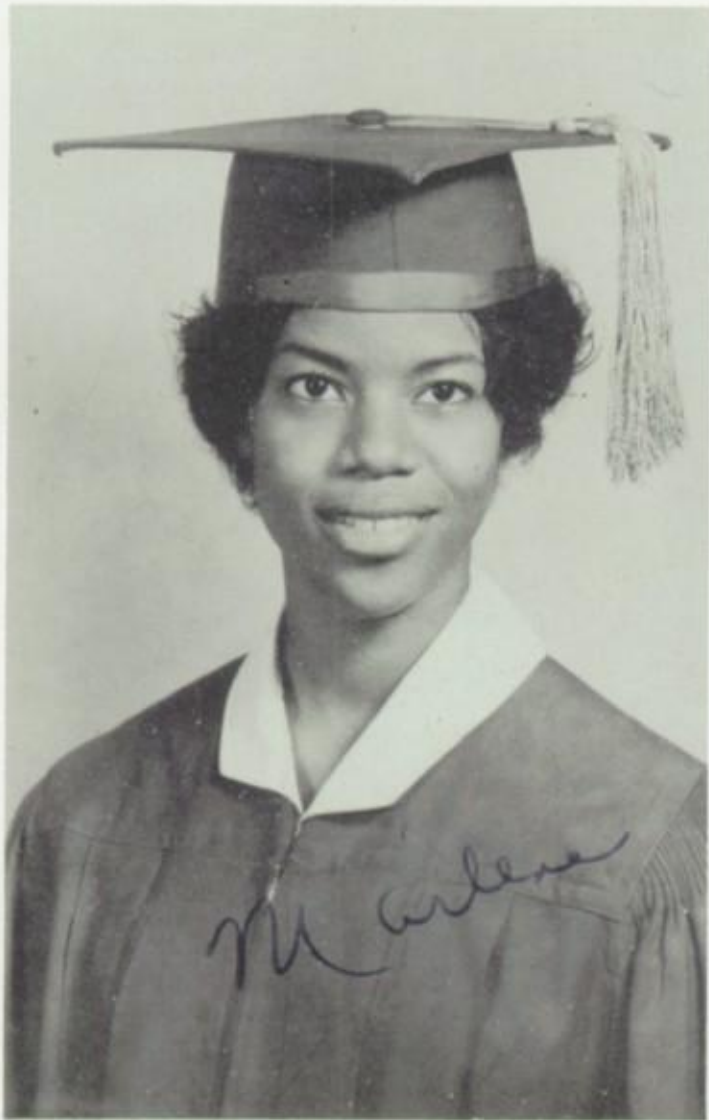

Refrain

And to all the student body
And the seniors that take
Our place. Remember please
The Senior Class of sixty-four.

Tune: "May the Good Lord Bless and Keep You"

Athletics

Physical fitness is necessary for participation in athletic activities. This fitness is cultivated by our physical education program.

The late Eugene Sivils was a great athlete and loyal friend to all his team-mates. His death is a great loss to the athletic world.

George Spence

Eugene Sivils will always be remembered as one of the great "Lion" backs. His team-mates respected him and loved him; his opponents respected and feared him.

Lawrence Sugg

Eugene to me always did his best on the football field, in his school work, and in other things in which he participated. He was a great athlete and a good friend.

Leo Spence

"Gene" was a very good football player although sometime he had difficulty learning his plays. For this we all joked him. He would have been one of the coaches' favorite contenders for the Shrine Bowl, for not only was Gene a good player, but he could also get along with other players and people in all type of activities. As neighbors and good friends we grew up together and belonged to the Boy Scouts, Boys' Club, Glee Club, junior varsity basketball team, and the same social groups in which he was well known and and liked.

Jerone Moran

Thus We Remember "Gene"

I, Ernest Rouson, Center for the P. W. Moore High School Football Team think of Eugene Sivils as a good friend. He and I played and talked together in many friendly ways. Eugene was also a hard worker on the football team. I have seen times when he was really hurt and still he wanted to play. Many boys would like to get hurt and wouldn't want to play for about a week, but Eugene was not like this. He was a very good friend of mine.

Ernest Rouson

Eugene Sivils Was the type of person with whom you would like to play. He was the type of person that loved the game and enjoyed playing with the fellows. He showed interest in the team by working diligently and always trying a little harder to improve. "Gene" was also a person who showed interest in the members of the team. For example, when I was hurt he would help me with the treatment that I was taking. "Gene" was a wonderful person and a true "Lion".

Calvin Webster

I think Eugene Sivils was a very co-operative boy. He tried to do his best in everything he did on the football team. He came to practice on time. I think everyone on the team liked him. Sometimes, I thought he tried to do more than his best. I think all of his team-mates and friends will never forget him. Always he will be a dear friend.

James Perry

Eugene was a fellow with lots of fun in him, but he could be serious minded when it was necessary. He was the type of player on the football team who gave every thing he had when he carried the ball. But in spite of his many good characteristics, there was one shortcoming in him; he, so often, couldn't remember his plays. However, it was good to have him as a friend and and a team-mate.

McKinley Boston

"Gene" was a humorous boy. He made friends easily and was a playful person. He was one of our better football players who always encouraged others to try to make the team.

Marvin Riddick

Eugene Sivils was one of the best friends you could find on or off the football field. He was always eager to help someone else do his best. Whatever he did, he did his best.

Johnny Jackson

Eugene Sivils will long be remembered around the portals of P. W. Moore as a great competitor. His having never given up the struggle to win will serve as an incentive to others to remain in the "thick of the fight" regardless of the outcome. Gene won many and lost a few but always played a great game.

Sykes.
 Having you
 for a friend is the
 most enjoyable ex-
 perience one can
 have. You're sweet,
 gentle, kind & loving.
 I'll never forget you.
 I mean it from the
 bottom of my heart.
 Love
 L. Ann

Sykes,
 Life is what you
 make of it. It has lots
 to offer you. So take all
 it has to offer you.
 Remain as sweet as I
 have found you to be.
 I will always remember
 the good times and those
 with some happiness.
 Love
 Evan.

Sykes,
 Time has come almost
 when we depart from
 each other as classmates
 to go elsewhere to win their
 friends. Even though we go
 our different ways, always re-
 member me as a friend forever.
 Love
 Thomas

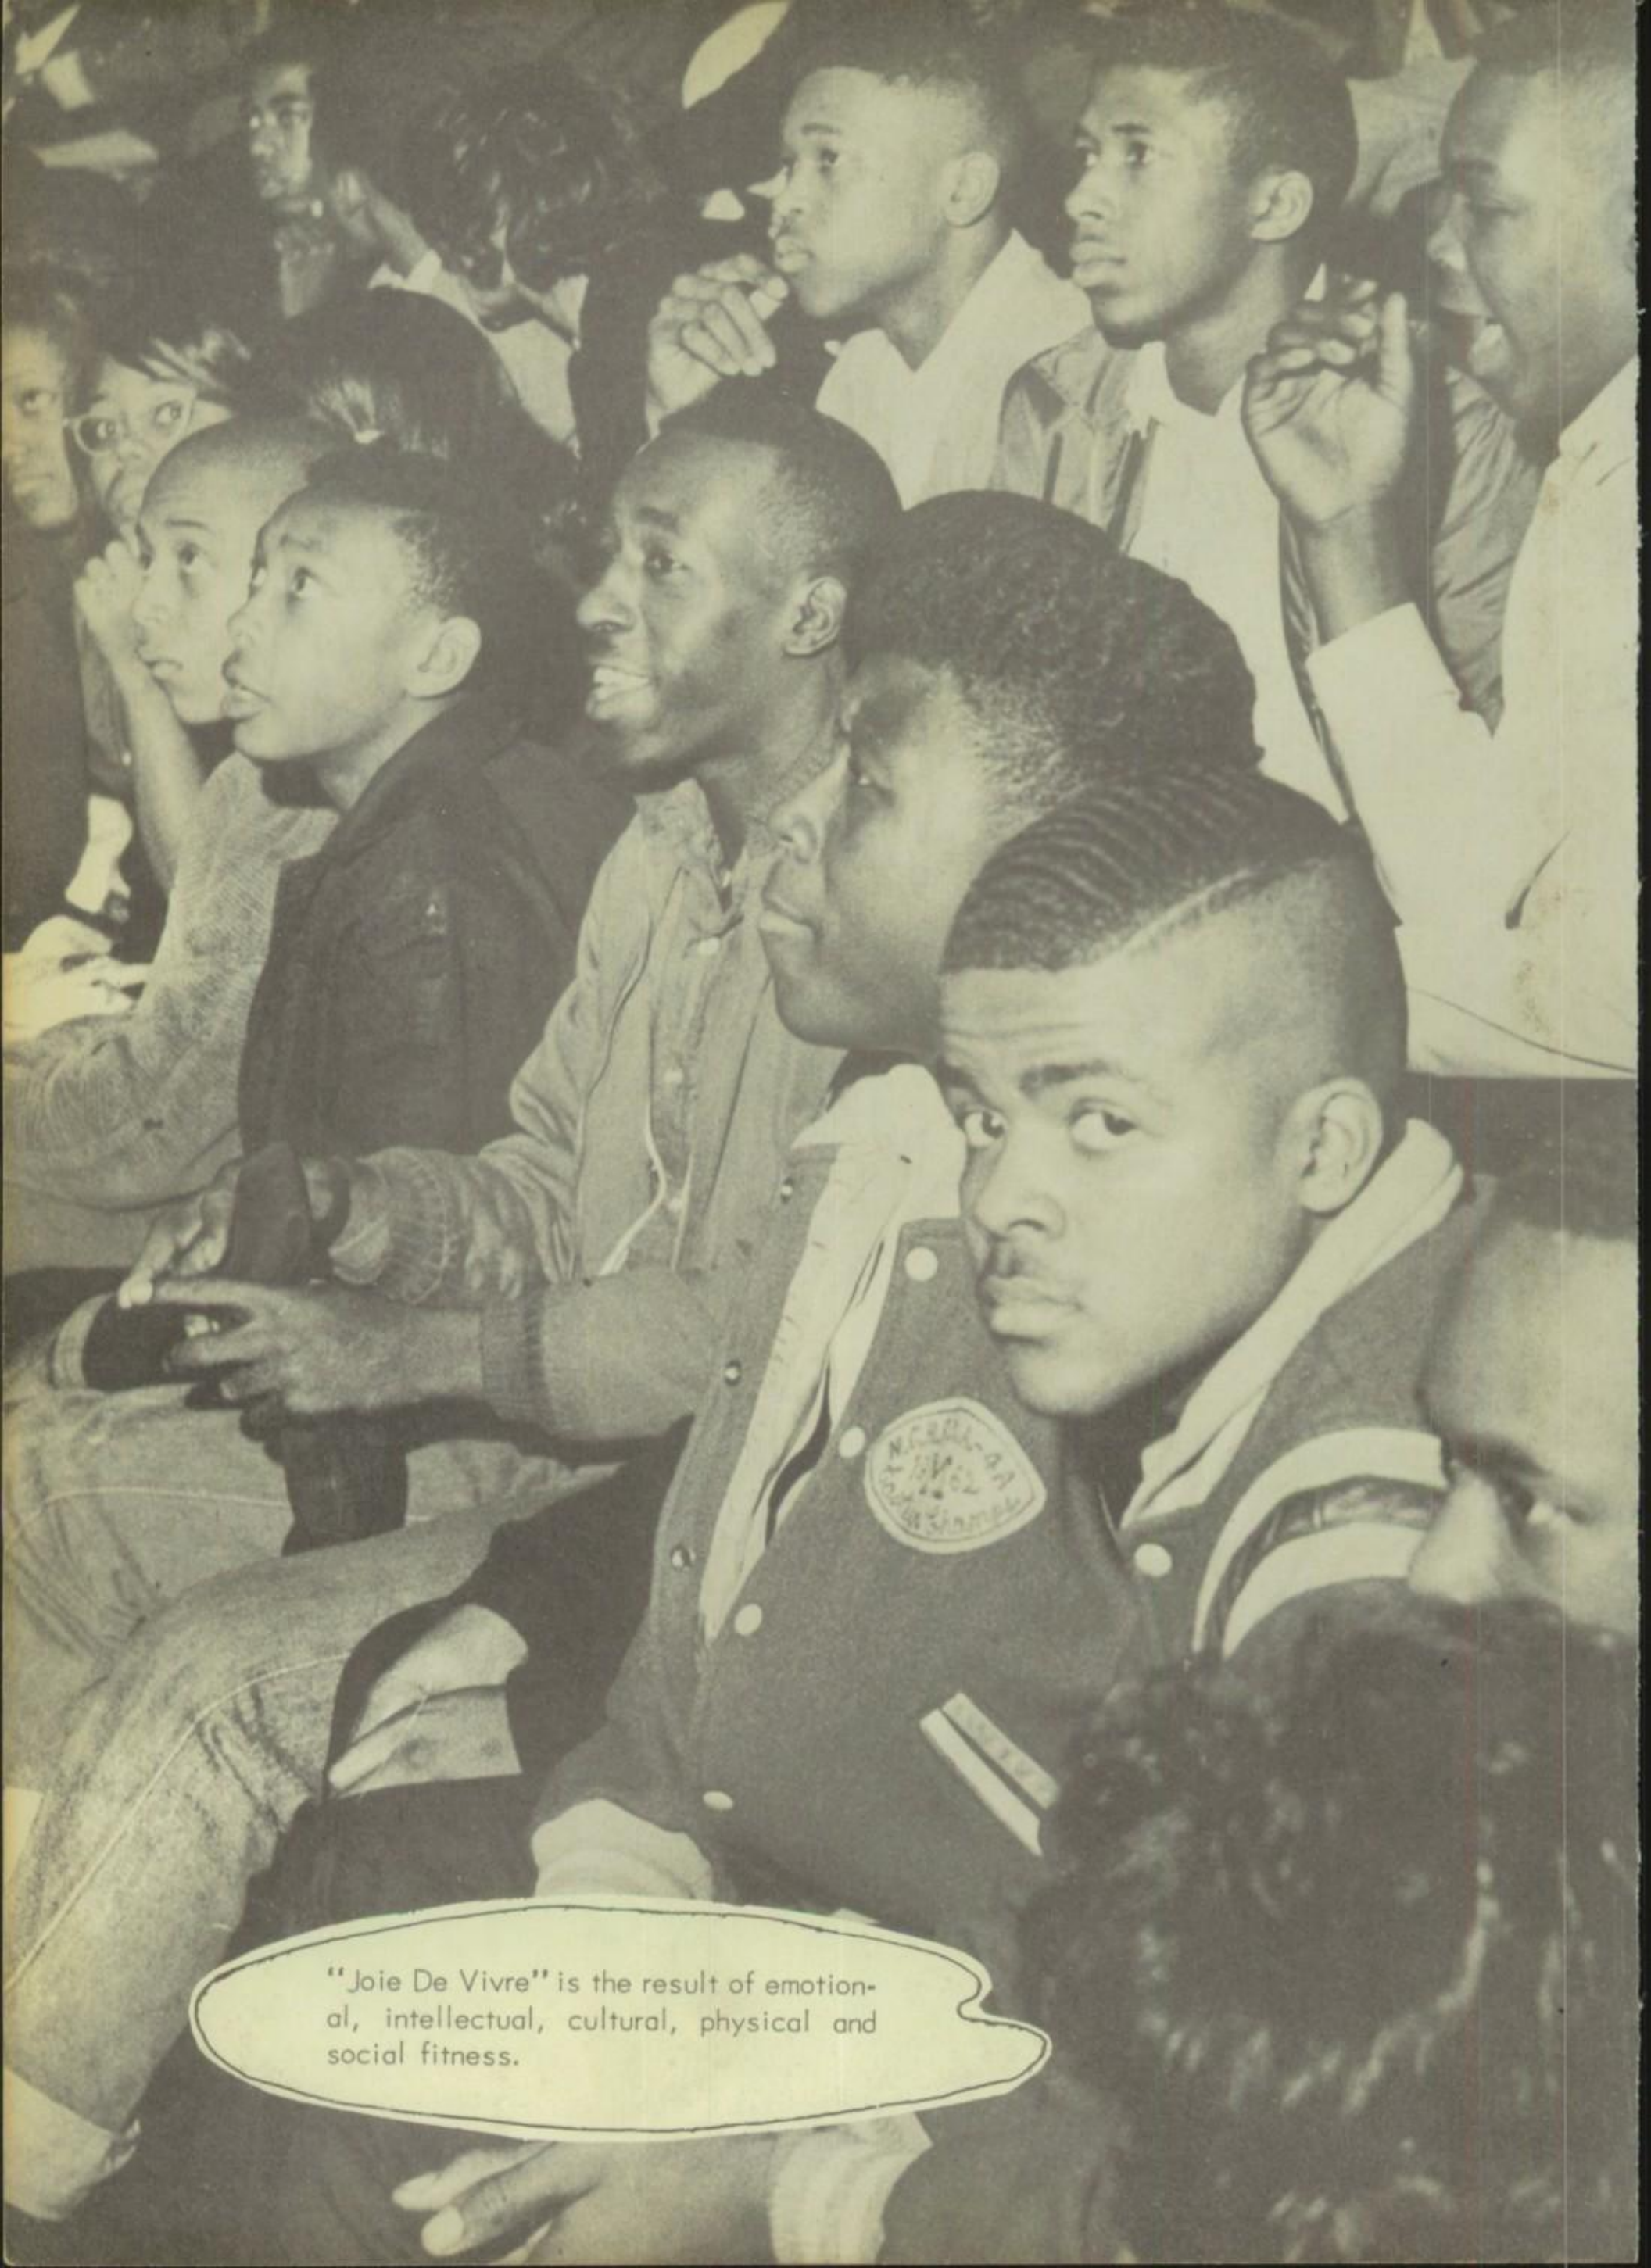

Sykes,
 During the four
 years we've known each
 other I say great for you
 are truly a nice boy. Sykes
 say sweet & funny. I only have
 one regret and that is I never
 got my chance you would always
 call me you said something and
 some time I got the feeling that
 you knew I was a friend and I
 why want as a friend and I
 had to settle for that. Let
 me know and please remember
 Love
 L. Ann

Skyles,
During the past
four years I've enjoyed you
so much and of course I will miss
you in the near future. Remember
Our trip to D.C. You are one out of
a million in which I'll never
forget. Skyles may you have
success in the future.
Yours,
Gladys

Even though we can't get along
together; I can certainly say this:
you are a swell person and a swell
classmate. I want to take this
time out to wish a dear friend
much luck in the near future.
